

allied foods

- Allied is Ireland's largest independent frozen and chilled foods distributor providing brand management and supply chain services to the FMCG and Food Service sectors.
- Reflecting the multiple retailers' trend to adopt central distribution, Allied Logistics has positioned itself as a key supply chain partner to retailers and manufacturers, operating in the Irish market. Key clients include Unilever, Burgerking, Dunnes Stores, Musgrave Retail Partners, Mars Ireland and Superquinn.
- Allied Foods represents key brands throughout the retail marketplace with direct trading relationships with the multiple retailers and the symbol groups providing excellent access to all segments of the market.

- Our food service business is the supplier of choice for many of the national brands and a broad range of independent operators in the sector. Key customers include Four Star Pizza, The Bagel Factory, Abrakebabra, Yo-Sushi, Eddie Rockets and Dunnes Stores.
- Allied Logistics strategy for supply chain business is to continue strengthening our position in the temperature controlled sector by driving efficiency, extending services, adding new clients and enhancing our revenues. Allied Foods growth will be driven by consolidating and growing the food service industry, deepening our geographical penetration and extending our customer base.
