DCC ENERGYPERFORMANCE SUMMARY

Excellent trading performance in both Energy Solutions & Energy Mobility

- Operating profit up 12.4% (10.0% constant currency).
 Strong growth in both Solutions and Mobility businesses.
 Organic operating profit up 8.3%.
- Robust demand, given volatile and high energy prices.
- Inflationary cost environment well managed during the year. Good demand for lower carbon and bio fuel products. All regions in Solutions delivered growth.
- Increased share of profit from Services and Renewables to 28% (see slide 36) up from 22% in the prior year, driven by both organic profit growth and acquisitions.
- Executing strategy: Fabian Ziegler joined as CEO; new divisional and regional management organisation established. 10 services and renewable acquisitions, broadening multi-energy offering.

DCC HEALTHCAREPERFORMANCE SUMMARY

Significant strategic progress; trading difficult in context of record organic growth in recent years

- Following excellent performance in recent years, a more challenging year for DCC Healthcare. Operating profit declined 8.6% (11.1% constant currency).
- Organically profit declined 18.7%, driven by weak demand in DCC Health & Beauty Solutions. DCC Healthcare operating profit was +11.3% ahead of FY20 organically.
- DCC Vital traded modestly ahead of expectations, good performance in Medical Devices and Primary Care in UK.
 Acquisition of Medi-Globe a highlight of year.
- DCC H&B had difficult year, with material destocking by brand owner customers and retailers. Good performance in effervescents in US.
- DCC H&B investing to grow organically across gummy and effervescent formats.

DCC TECHNOLOGY PERFORMANCE SUMMARY

Strong growth in operating profit, driven by the acquisition of Almo

- Operating profit increased by 29.9% (19.7% constant currency), driven by the prior year acquisition of Almo.
- Organic operating profit declined by 16.9%, driven by weak demand for consumer technology products, particularly in Europe. Demand for B2B technology products was generally robust.
- North American Pro Tech (Pro Audio and AV) performed strongly. Successful integration of Almo's AV business with existing business has created the largest specialist AV distributor in the region.
- In Europe, Pro Tech demand was strong, consumer demand much weaker. UK performance improved following a number of difficult years. Delivered strong growth in Ireland.
