Acquisition of Ordinary Shares under Tender Offer and Total Voting Rights

Further to the announcement of the results of the Tender Offer earlier today, DCC plc ("**DCC**" or "**the Company**") confirms that, under the terms of the Option Agreement, it has today acquired on-market on the London Stock Exchange from Davy 11,605,415 Ordinary Shares in the Company, at a price of £51.70 per Ordinary Share (the "**Strike Price**"), representing a total cost of approximately £600 million.

The Ordinary Shares acquired by the Company are today being cancelled. The Ordinary Shares were originally purchased by Davy pursuant to the Tender Offer at the Strike Price.

Following the cancellation of 11,605,415 Ordinary Shares, and in accordance with the FCA's Disclosure Guidance and Transparency Rules, the Company's total number of Ordinary Shares with voting rights is 85,423,097. The total issued share capital is 87,609,229 Ordinary Shares of €0.25 each, of which 2,186,132 are held as treasury shares and therefore do not carry voting rights.

The figure of 85,423,097 should be used by shareholders as the denominator for the calculation by which they should determine if they are required to notify their interest in, or a change to their interest in, the share capital of DCC under the FCA's Disclosure Guidance and Transparency Rules.

Capitalised words and expressions in this announcement shall, unless the context provides otherwise, have the same meanings as in the shareholder circular published by the Company on 17 November 2025 (the "**Circular**").
